Your wedding in Mariënhof Amersfoort

Monumental monastery with endless possibilities

GETTING MARRIED AT AN EXTRAORDINARY VENUE

First of all, congratulations on your engagement! We would like to take you into the world of Mariënhof with her special story and ambiance in combination with our hospitality and sympathetic service.

MARIËNHOF

Mariënhof Amersfoort is a former monastery. The location dates from the beginning of 1479 which makes it over 500 years old. The monument has a long history and has served many purposes throughout the century. With her picturesque gardens, romantic courtyard and 10 meters high wedding chapel it is without a doubt a venue with character. Mariënhof has many atmospheric rooms, endless opportunities and is therefore the perfect location to celebrate all special moments in one place.

As mentioned before Mariënhof has served many purposes. Originally it was a monastery for nuns, later on the building was used as an accommodation for the Augustinian monks. From 1611 the monastery became a civil orphanage. Old and new meet in a special manner; by entering the location you will experience the atmosphere of the old monastery together with hints to the present and future. This is among other things expressed by the modern day art collection, modern design and atmospheric LED-lighting in the hallways.

Mariënhof is winner of the Dutch Wedding Awards 'Best wedding location of the Netherlands 2016/2017'!

"Our wedding was a day we will never forget! The organisation was great and the staff was amazing! A beautiful location of which everyone has enjoyed it's hospitality "

DISTINCTIVE SERVICE

Our team of driven, young and enthusiastic people with broad experience knows what a good wedding and wedding venue entails. Hospitality and going the extra mile runs in our genes!

Our team is constantly looking for innovative ideas and concepts to personalize your wedding. An example of such an innovative concept is our hallway of memories, where the hallway is decorated with balloons with pictures on the end of the string.

ALL SEASON VENUE

Mariënhof is an atmospheric venue to marry in any season! We have two beautiful gardens with each its own character and perfect for outside weddings. We also offer a wide range of possibilities inside such as our 10 meter high Singelzaal with leaded windows and our authentic Kloosterkamers. Based on the weather forecast we can be flexible in making last minute changes. Getting married during the winter? An absolute recommendation! Crackling fire pits, marshmallows, glühwein, cosy spots, woollen blankets and candles... The monastery makes an intimate and warm setting.

EXTRAORDINARY HOSPITALITY

One of our unique selling points is our service. Our outstanding service level and special way of presenting contributes to the ultimate experience we offer.

Our servers work in a modern outfit and serve dishes from special trays or via frivolous materials. For example, we serve our wines from special 'wine-belts'.

Our aim is to welcome everyone with a warm, hospitable and comfortable atmosphere. Our mission is to surprise, care and to connect people.

Ceremony, reception, dinner and a party - each in a different room. This kept the day diverse but still practical since it was all in one location. Our compliments for the food, the quality was very good! During the wedding day we had a lot of support from the staff, we were not worried at all. A real recommendation!
